

2008 ACA Great Rivers Section Annual Conference
"Building Something Great Together"
Workshop Session Proposal

The Education Committee of the American Camp Association, Great Rivers Section, greatly appreciates having you share your time & talents with us as a presenter at our fall conference November 11-13, 2008 held at Wesley Woods Camp & Retreat Center near Indianola, Iowa! The conference will serve approximately 75 camping professionals from Nebraska, Iowa, Missouri, and Kansas.

All workshop presenters are responsible for their own travel expenses and conference registration fees. If you are attending the conference for your workshop time only, you will not be required to register. We will be happy to make copies of any handouts you may need for your workshop session, as long as we get the material one week before the conference.

Please take a few minutes to complete this sheet and return it to the contact below as soon as possible. If you are leading more than one session – please use a new sheet for each workshop. Thank you!

Session Title:

Short Description:

Room/Space/Equipment Needs:

Do participants need to bring anything, wear any special gear, etc? If so, what?
